

FREEDOM~ WHAT IT MEANS!

Thank you for joining us in Celebrating Our Freedom! All of your loops for the chain were amazing.

The following loop was submitted by Wendi Meisburger which entitled her to go with us to the VA Hospital to present our Freedom Chain, a monetary donation by Dr. Lindsay and donations made by Mark Hardy of Procter&Gamble and Al Roberts of 3 M Unitek to the Women Veterans of America-Chapter 8.

The chain will be exhibited in a common area at the hospital for the veterans to enjoy. The donations will be used to assist all veterans admitted to the VA Hospital and some will be enclosed in packages to be shipped to our armed forces overseas.

“Freedom, a gift, a privilege, sadly something we Americans take for granted. Something some people don’t have. The key to reaching our dreams and goals. Freedom~ Something we should thank our God for each and every day, because unfortunately it could be taken away at any moment. Freedom”
